TNL has sent teams to Uganda the last two years to work with Come Let's Dance, a grassroots organization dedicated to empower African youth to initiate positive social and economic change in their lives and communities. CLD was established in 2006 by a group from Colorado led by founder and filmmaker, Shane Gilbert. More information about CLD is available in the Lobby tonight or visit [www.comeletsdance.org](http://www.comeletsdance.org).

### Invisible Children Documentary: Friday, March 27th

The Rescue of Joseph Kony's Child Soldiers is a documentary by Invisible Children showing the history of the crisis and war in Uganda. Following the screening there will be a panel about the situation in Uganda including Wendy Mobeck, a teacher from TNL who spends her summers in northern Uganda with Invisible Children. The content of the film is serious and graphic in nature as an accurate depiction of war and torture.
